Happy Easter

Dear All,

In this trying time, we thought it would be helpful to keep in touch and keep you updated through a newsletter, which we will be sending out via email, as well as on our Facebook page.

Firstly, we would like to take this opportunity to wish you all a very Happy Easter. We cannot begin to explain how strange it is to have an Easter without all of you here and we are so looking forward to welcoming you back as soon as possible. We hope you can still have an enjoyable weekend regardless of the circumstances.

Mowing

I am sure many of you are worried about the maintenance of your plot. Well, don't worry! James has been (albeit unwillingly) roped in to help with the mowing of individual pitches. As you can see, the plots are all being well looked after in your absence and we will continue to do this until you are able to return.

Work on the entrance

While maintaining good social distancing measures, local builder Damon Williams has been working hard to help improve the front entrance by building a new wall. We have stripped back some of the existing hawthorn hedge and removed lots of the ivy, which was unfortunately slowly killing the old hedge. It's already looking fantastic and we are hoping to show the finished wall on next week's letter.

Best wishes to you all and please stay safe,
John, Joy and Family
